## Tournament Catch Form

South Carolina Department of Natural Resources<br>Marine Resources Division<br>Recreational Fishing Tournament

${ }^{* * *}$ Return to the SCDNR Fisheries Statistics Office within 30 days of the tournament's completion ***

The purpose of this information request is to document fishery products obtained through recreational fishing tournaments. Tournament data is critical for managing South Carolina's marine resources.

The Tournament Catch Form will provide the SCDNR with the following information:

1. Tournament dates, weigh-in location and number of participants.
2. All species of fish landed \& retained by tournament participants.
3. Total number and pounds of each species landed.
