

## APPENDIX 6: Aquatic and Wetland Plants on the SC Noxious Weed List

COMMON NAME	SCIENTIFIC NAME	CURRENTLY MANAGED	POTENTIAL FUTURE MANAGEMENT
African oxygen weed	<i>Lagarosiphon major</i>		
Alligatorweed	<i>Alternanthera philoxeroides</i>	X	
Ambulia *	<i>Limnophila sessiliflora</i>	X	
Arrowhead *	<i>Sagittaria sagittifolia</i>		
Arrow-leaved monochoria *	<i>Monochoria hastata</i>		
Brazilian elodea	<i>Egeria densa</i>		X
Caulerpa *	<i>Caulerpa taxifolia</i>		
Common reed	<i>Phragmites australis</i>	X	
Duck-lettuce *	<i>Ottelia alismoides</i>		
Eurasian watermilfoil	<i>Myriophyllum spicatum</i>		X
Exotic bur reed *	<i>Sparganium erectum</i>		
Giant salvinia *	<i>Salvinia molesta</i> S. <i>biloba</i> , S. <i>herzogii</i> , S. <i>auriculata</i>	X(#)	X
Hydrilla*	<i>Hydrilla verticillata</i>	X	
Melaleuca *	<i>Melaleuca quinquenervia</i>		
Miramar weed *	<i>Hygrophila polysperma</i>		X
Monochoria *	<i>Monochoria vaginalis</i>		
Mosquito fern *	<i>Azolla pinnata</i>		X
Purple loosestrife	<i>Lythrum salicaria</i>		X
Rooted water hyacinth *	<i>Eichhornia azurea</i>		
Slender naiad	<i>Najas minor</i>	X	
Water chestnut	<i>Trapa natans</i>		X
Water hyacinth	<i>Eichhornia crassipes</i>	X	
Water lettuce	<i>Pistia stratiotes</i>	X	
Water primrose	<i>Ludwigia uruguayensis</i>	X	
Water spinach *	<i>Ipomoea aquatica</i>		X
Wetland nightshade *	<i>Solanum tampicense</i>		

\* Also listed on Federal Noxious Weed list

(#) CURRENT STATUS ERADICATED IN SC

Note: Designations are not based on occurrence in the state. Some of the unchecked species exist in the state, but are not currently considered priorities for management.
