WILDLIFE MANAGEMENT AREA

Cooperating with Landowner

Hunting By Permit

A Wildlife Management Area Permit is required to hunt on WMA lands. WMA boundaries shown are approximate and should be marked with these yellow signs.

Map Side B

Inset map showing the location of Berkeley County within South Carolina, with a red box indicating the area covered by Map Side B.

Thanks to Landowners

Landowners providing their land for public hunting and recreation are due much appreciation from SCDNR and all outdoor enthusiasts. Without these lands, public hunting as provided in this state would be impossible.

Sportsmen seeing the yellow and black diamond-shaped signs designating WMA boundaries should remember they are hunting as guests of the landowner and be respectful of this privilege.
