WORKSHOP  
APPROVED FOR 5  
SCDE RENEWAL  
CREDIT HOURS!

FREE TO  
ATTEND!

Project Learning Tree and SC Project WILD provide hands-on, multidisciplinary activities to connect children to nature and increase young people's awareness and knowledge about their environment. Activities include detailed step-by-step instructions, academic correlations, time and material requirements, and corresponding student worksheets.

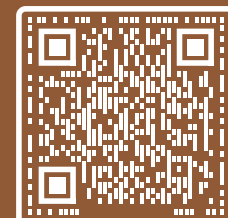

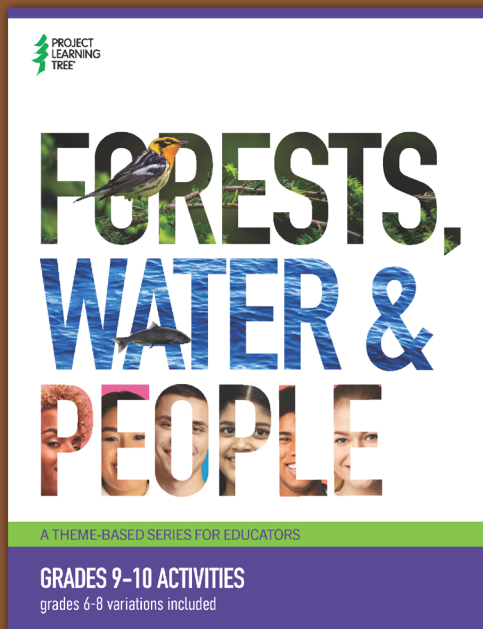

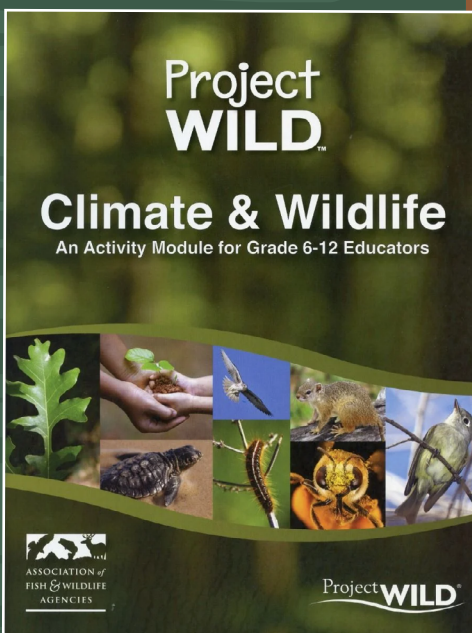

This workshop will be targeted towards secondary educators. Participants will be trained in and receive PLT's Forests, Water, & People Activity Guide and Project WILD's Climate & Wildlife Activity Guide. Educators will participate in several indoor and outdoor activities from the guides, learn about each program, get access to local and online resources, and develop lesson plans to use with their students.

Participants will need to pack a bagged lunch.

Please complete registration form **HERE**.

Deadline to register is **June 28, 2026**.
