Potentially confusing WMAs or other Areas in regards to alligator hunting

Areas that are NOT open to alligator hunting

- Hatchery WMA within Lake Moultrie.
- Potato Creek Hatchery Waterfowl Area adjacent to Lake Marion.
- Stony Bay in Sandy Beach Waterfowl Area.
- Any North Dike WMA Borrow Pits accessed by canal or ditch via Lake Moultrie.
- Any portion of Yawkey Wildlife Center accessible from a waterway, ditch, or canal. This includes Mosquito, Beach, and Bird Bank Creeks.
- National Wildlife Refuges, many of which that have navigable waters within their boundaries.
- Goose Creek Reservoir is owned by the city of Hanahan and is closed to public alligator hunting.

Use caution, stay in the main part of the river

- Great Pee Dee River next to Woodbury WMA .
- Adjacent to Yawkey Wildlife Center - stay in the main river (North Santee Bay) and the Intracoastal Waterway. *Any* creeks, canals or ditches entering the Yawkey Wildlife Center (Cat Island, South Island, and portions of North Island) are closed to hunting.

Areas open to alligator hunting

- Borrow pit area adjacent to Santee Dam WMA.
- Lake areas surrounding Santee Cooper WMA outside of any signs, buoys or markers.
- Lake areas surrounding Hickory Top WMA.
- Lake areas surrounding Moultrie Hunt Unit WMA .
- Portions of the Rediversion Canal legally accessible by boat through Canal WMA. Portions of this waterway are blocked for security reasons. Under no circumstances should you enter any prohibited areas.
